Re: Cooper for Congress
C00376665
12 Day Pre-General Report (10/1/02 - 10/16/02)

Dear Ms. Balderama:

In response to your notice dated January 14, 2003, we have today electronically filed an amendment to the October 15 Quarterly FEC report covering 7/13/02 - 9/30/02. This letter will serve as explanation for that amendment.

A contribution in the amount of \$1,000 from the Washington Mutual PAC was received by the Cooper for Congress Committee on September 26, 2002. However, when the check was entered into our campaign software, the date was entered as September 26, 2003 and the error was not caught before the October 15 Quarterly FEC report was filed. The error was noticed and corrected some time in the first few days of October and, therefore, when our 12 Day Pre-General Report was filed, this \$1,000 was included in our Column B year-to-date figures, but had not been reported in Column A.

Please accept our amendment and our apologies.

Sincerely,

A handwritten signature in cursive script, reading "Robert A. Davidson".
